

ACKNOWLEDGEMENTS

I would like to thank William Rank, a social worker and colleague, who initially inspired this project by developing a similar community-VA resource manual, *Your Guide to Available Resources: The Department of Veterans Affairs and Surrounding Communities*. I would like to thank the people who shared their time, energy and knowledge that shaped the 2011 version of this resource guide. I would particularly like to thank all CVAMC Social Work staff, program directors and community providers.

I am especially grateful to the team of social work staff and Certified Peer Specialists who worked as a team and went out of their way to assist in updating this edition:

- Social Work Executive, Phyllis Hartman;
- Social Work Supervisors: Trapeta Mayson (GEC/Primary Care) & Claudia Hepler (Mental Health);
